There is a reason why the larger per cent of Cabinet Stationery used by Kansas City's "400" is turned from the Arthur W. Harris Printing Establishment. First their workmanship in this class of service is unexcelled by any of the larger and best equipped printing establishments in this city, since they all but make a specialty of this class of work. Second, while their prices are not always the lowest, they are always the fairest. They have "delivered" with accuracy and despatch to over 90 per cent of the classy weddings and receptions during the past year and now when a function of class is announced its a ten-to-one shot that Harris will handle the job.

Rooms For Rent. State and Federal Governments Begin Inquiries.

Washington, Aug. 15.—The legal forces, state and federal, all over the country, got into action, carrying out the President's suggestion for an investigation as to whether food prices are being increased artificially on the pretext of the European war, and criminal prosecutions will follow if that is found to be the case.

The national capital authorities started the campaign with a grand jury investigation to which commission merchants, wholesalers and retailers, buyers for hotels and restaurants were subpoenaed and citizens having evidence were invited.

Reports of other investigations beginning in many localities by United States attorneys and state and county authorities are pouring into the attorney general's office. Special agents of the department of justice have begun their search for evidence of manipulations or other methods of price-fixing, and Secretary Redfield sent detailed instructions to agents of the department of commerce on carrying out their part of the investigation.

A Nervous Woman Finds Relief From Suffering.

Women who suffer from extreme nervousness, often endure much suffering before finding any relief. Mrs. Joseph Snyder, of Tiffin, O., had such an experience, regarding which she says:

"Six months I was bedfast with nervous prostration. I had sinking spells, a cold, clammy feeling, could not stand the slightest noise. At times I would almost fly to pieces; stomach very weak. My husband insisted on my taking Dr. Miles' Nerveine, and I began to improve before I had finished the first bottle until I was entirely cured."

MRS. JOSEPH SNYDER, 262 Hudson St., Tiffin, Ohio.

Many remedies are recommended for diseases of the nervous system that fail to produce results because they do not reach the seat of the trouble. Dr. Miles' Nerveine has proven its value in such cases so many times that it is unnecessary to make claims for it. You can prove its merits for yourself by getting a bottle of your druggist, who will return the price if you receive no benefit.

WORDS OF APPRECIATION. More Mothers Testify to Merits of XXth Century Hair Preparations.

Nelson, Mo., April 13, 1913. Dear Madam Dabney: I am writing you for a small order. I want you to please send by mail 3 bottles of shampoo, 3 boxes of hair grower and 2 boxes of pressing oil. I like the remedy just fine; I would not be without it for anything. I am using it on my little girl's hair; it seems to be helping it greatly.

MRS. ANNA BRUNER. Kansas City, Mo., Jan. 20, 1913. Dear Madam Dabney: I am a mother of four girls. Their hair was thin, harsh and would fall out so that I dreaded to use a comb. Now their hair is growing nicely—does not fall out—has no dandruff—is soft and pretty. Three of these girls are attending Wendell Phillips School, Howard and Vine streets. Investigation will bear out my testimony. I would not be without the XXth Century Preparation in my house.
